James' CS 1114 Mid-Semester Check-In Survey

Happy (almost) Halloween, Hokies! 🦃 🎃

Since we're more than halfway through the semester, I (James) wanted to check in to see how you are faring in CS 1114 so far.

If you have time (and want to), it would be great if you could fill in this **anonymous** and **optional** check-in survey to let me know how you're finding the class so far and how I can best support you through the end of the semester!

Thanks! -James
